EXPERIENCE

AMSC Incorporated

Summer 2017, 2018

Carpenter

Madison, WI

- Worked on constructing condominiums in the greater Madison area.
- Tasks included building and setting walls, floor and roof trusses, and sheeting roofs with plywood.

Home Depot

Summer 2020

Hardware Associate

Madison, WI

- Aided in identifying what tools and supplies customers needed for their home improvement projects.
- Stocked and organized products efficiently.
- I often worked alone with no manager in the department, leaving me to make decisions for myself and the store.

Motorless Motion Bicycles

Spring 2021 - Present

Bicycle Mechanic, Service Writer

Madison, WI

- Building new bikes for the sales floor, making sure every bike functions to its full ability and has no safety concerns.
- Checking in with customers, identifying any problems with their bikes, and suggesting services to the customers for us to do.
