EXPERIENCE

AMSC Incorporated

Summer 2017, 2018, 2019

Carpenter

Madison, WI

- Worked on constructing condominiums in the greater Madison area.
- Tasks included building and setting walls, laying floors, setting trusses, and sheeting roofs.

Home Depot

Summer 2020

Hardware Associate

Madison, WI

- Aided in identifying the tools and supplies customers needed for home improvement projects.
- Stocked and organized products efficiently.
- I often worked alone with no manager in the department, leaving me to make decisions for myself and the store.
- Balanced answering customers' questions over the phone while also working the floor of the department.

Motorless Motion Bicycles

Spring 2021 - Winter 2023

Bicycle Mechanic, Service Writer

Madison, WI

- Building new bikes for the sales floor, ensuring every bike functions fully and has no safety concerns.
- Checking in with customers, identifying problems with their bikes, and suggesting which services would benefit them and their bikes most.
